COLD OPEN

EXT. TOLEDO ROAD - DAY

Jack drives his student driver car. He stops at a red light and takes a sip of espresso. His window is open. No other cars are in sight. A bicyclist drives by Jack's car and throws a slurpee at Jack's face.

JACK
A slurpee? Really? God damn
Toledoans.

The bicyclist stops next to Jack's car. It's Jack's old high school bully, Greg Miller.

GREG
What's up, Pimple Butt Jack?

JACK
Greg Miller, I should have known.

GREG
It's never too early for a slurpee
in the face, PBJ.

JACK
Don't you have a car?

GREG
I climbed Mount Everest. I didn't
use a car to get up Everest.

JACK
But Everest did take your big toe.

GREG
Plus, this weekend, I'm doing an
obstacle course and winning a jeep.

JACK
Sounds kind of pathetic. How are
you winning a jeep?

GREG
At the Toledo Jeep Festival, PBJ!

INT. A.P. BIOLOGY CLASSROOM - DAY

Jack charges in. All the students are silent.

JACK

Okay, everybody begin to shut up!
Talking time is over! Shut up time
is now!

Jack throws an apple at the garbage can. It hits the wall,
and rolls on the floor. Jack draws on the board.

JACK (CONT'D)

He's back. We took him down once
before and we're taking him down
again.

HEATHER

Who's that, boss?

JACK

Greg Miller.

HEATHER

That 9 toed S.O.B.

JACK

This morning I was sipping my
morning espresso. And then
neanderthal, Greg Miller threw a
slurpee at me. It splattered all
over my favorite sweatpants.

MARCUS

Then why are you not wet?

JACK

Because I keep spare sweatpants in
my car. You know Marcus, I'm
already seeing too much of your
face. Head down.

Marcus puts his head on his desk.

JACK (CONT'D)

That's better. Now let's go over
our new mission.

The first chalkboard drawing is Jack getting splattered with
a slurpee. The second drawing is Greg with an X crossed
through his face. The last drawing is a big jeep and Jack
circles it. He writes above the circle, "Jack's Jeep."

JACK (CONT'D)

This Friday, we are winning me a
jeep.

END OF COLD OPEN

ACT ONE

INT. A.P. BIOLOGY CLASSROOM - MORNING

Jack walks around the classroom.

JACK

Okay, first things, first. Does anyone know anything about Toledo Jeep Fest?

The entire class talks with enthusiasm.

JACK (CONT'D)

Whoa! Slow down. Use your hangover voices. You people actually know what this Toledo Jeep Fest is?

HEATHER

Yeah, boss, it's a big Ohio deal.

COLIN

My mom and I ride in the Jeep parade every year.

GRACE

Jeeps are the only vehicles that matter.

JACK

All right, you guys are getting me excited for my new keep.

EDUARDO

Can we go Mr. Griffin?

JACK

Yeah, I don't see why not. As long it helps win me a jeep.

The class gets excited.

JACK (CONT'D)

After all, I need one of you to take down Greg Miller.

They stop being excited.

SARIKA

You expect one of us to compete with Greg?

JACK

Yeah. You think I'm going to beat him? I'm not in shape, but you all, you're all young and can afford to get hurt a little. So who wants to go against Greg?

Nobody raises their hands.

ANTHONY

Will there be running involved?

JACK

It's an obstacle course so I would assume so.

ANTHONY

Yeah, no thanks.

JACK

Well, somebody has to race!

MARCUS

Greg climbed Mount Everest and lost a toe to tell about it. Nobody in this class can beat him.

JACK

Marcus, what did I say about keeping your face down on the desk?

MARCUS

I did this all of yesterday.

JACK

Okay, Marcus, go to the Principal's office.

MARCUS

What did I do?

JACK

You exist.

MARCUS

I can't tell the principal that I'm there because I exist.

JACK

Then wander around the hallway until next bell. I don't care. Just don't be here.

MARCUS
Can I get a hall pass first?

JACK
No!

Marcus exits into the hallway.

JACK (CONT'D)
Okay, this is what I want everyone to do so we can figure this out. I need you all to get on the floor.

The class looks confused.

JACK (CONT'D)
Now! Or you all get F's!

All the students get on the floor.

JACK (CONT'D)
Everybody do as many push-ups as you possibly can. Let's find out who can go the longest.

All the students start doing push-ups.

JACK (CONT'D)
I'll be back.

INT. DOWNSTAIRS HALLWAY - MOMENTS LATER

Jack walks and sees Marcus wander around.

JACK
Why can I still see you?!

Marcus scurries away. Jack passes by Lynette.

JACK (CONT'D)
Good morning, Lynette.

LYNETTE
Morning, Jack. Anything new?

JACK
I'm about to win a giant jeep this Friday.

LYNETTE
Jeeps are the only vehicles that matter.

INT. DURBIN'S OFFICE - CONTINUOUS

Jack enters and sees Helen.

HELEN

Oh, there's my favorite Harvard graduate. And also the only person I know who went to Harvard.

JACK

Yeah, you're very extroverted, Helen. Is Ralph in?

HELEN

Not a good time, Jack. Ralph is having a little crisis.

JACK

What kind of a crisis?

HELEN

They're stripping away his Jeep King title.

Ralph enters.

PRINCIPAL DURBIN

Oh, hey Jack.

JACK

Listen, Ralph, I need to take the kids to the Toledo Jeep Fest on Friday.

PRINCIPAL DURBIN

Does this have to do with my final moments of being Jeep King?

JACK

What's this I hear about a Jeep King?

Principal Durbin drops his head.

PRINCIPAL DURBIN

After winning the crown for three years straight, I will no longer be the Jeep King... But it's no biggie.

HELEN

No biggie? It's a darn tootin' biggie.

JACK

Jeep King? I can't see that. I mean I could maybe see you as the prince of scooters.

HELEN

Last year, little Curtis Wilson was Toledo's prince of scooters.

JACK

So why are you losing it?

PRINCIPAL DURBIN

The Toledo Jeep Union decided to give it to the winner of the obstacle course this year.

HELEN

Sometimes the TJU really steams my whistles.

PRINCIPAL DURBIN

It's the first obstacle course they ever had and they won't let me participate.

JACK

I can't believe how big of a deal this Jeep Fest is.

HELEN

Everybody knows the Toledo Jeep Fest. Oh, Jack, you got to watch the Mud Hens play baseball.

JACK

I don't know what a Mud Hen is and I have no interest in finding out.

PRINCIPAL DURBIN

Toledo has been named one of the top ten Jeep festivals in the world.

JACK

Jesus. There's more of these things?

HELEN

Jeeps are the only vehicles that matter.

JACK

Okay, great, so the field trip is a go then. We will see you at the Toledo Jeep Festival where one of my students will beat Greg Miller.

PRINCIPAL DURBIN

What's this about Greg Miller?

Jack exits.

JACK

Oh, I didn't mention that part.
Bye.

INT. A.P. BIOLOGY CLASSROOM - MOMENTS LATER

Jack comes back to class.

JACK

So did we figure out who's competing?

HEATHER

We did as many push-ups as we could, chief, but there's only one of us who could go the distance. It's no surprise who that stud was.

JACK

Who's the one?

In the back, several students circle the one student still doing push-ups. It's Dan Decker.

DAN DECKER

183, 184, 185...

JACK

Dan Decker. My man.

INT. UPSTAIRS HALLWAY - DAY

Marcus looks lost. This hallway is a little sketch.

MARCUS

I've never been down this hallway before.

Inside one room is Dale, the custodian, cleaning a science laboratory. Marcus enters.

MARCUS (CONT'D)

Hey, what classroom is this?

DALE

Oh, it's not a classroom. It used to be Eugene, the crossing guard's secret lab, but then he died. So now, it's just a secret lab.

MARCUS

Really? Could... could I use it?

DALE

For what?

MARCUS

Biology.

DALE

Yeah, I guess so. The door is usually open. It's not like Eugene is still doing his experiments. Just don't go in that cabinet.

He points to a the top cabinet.

MARCUS

I can do that.

INT. FACULTY LOUNGE - AFTERNOON

Stef, Michelle, and Mary drink coffee. Jack smiles as he researches Jeep Fest on his phone.

STEF

Jack, you look happy. You go to bang town last night?

JACK

No, but I have a plan in action that's taking me close to bang town. You could call it Win City.

MARY

Oh, Win City. That's where champions are made.

MICHELLE

Yeah, it's the opposite of Loserville. I lived there for most of my life.

MARY

How are you getting to Win City?

JACK

I'm winning a giant jeep this Friday.

STEF

Ooooooh, Jack is winning a giant jeep.

MARY

No small jeeps for Jack.

MICHELLE

Jack, are you competing in the obstacle course?

JACK

No. I'm using Dan Decker, one of my students to beat Greg Miller.

MARY

Look at Harvard Jack using his teacher brains to get his students to do things.

MICHELLE

I wish I had that idea.

STEF

Yep. I'm going to have to do that too. I'll have Scotty Deeks compete for me. He's finally recovered from his injury.

JACK

What? No!

MICHELLE

Oh, yeah, I got this girl, Bella Hashek. She's stronger and smarter than all the boys in my class combined.

MARY

Oh, I know a student who I can make do this too.

JACK

No, no no! This is my idea. You can't just take my idea.

STEF

Teacher code, Jack.

JACK

Teacher code. What is teacher code?

MARY

If one teacher can do it, another teacher can do it too.

STEF

Yep. I've always wanted a giant jeep ever since the Toledo Jeep Festival of 2014.

MARY

That was a bomb Jeep Festival. I'll never forget the things I did in that Jeep Grand Cherokee.

MICHELLE

Ken and I love his Cherokee.

JACK

Stop this madness right now! The only person who can win a jeep in this room is me.

MARY

Sorry, Jack, teacher code.

JACK

This is not teaching. This is leeching.

STEF

Too late. May the best teacher win a giant jeep.

END OF ACT ONE

ACT TWO

INT. PAYROLL SERVICES OFFICE - DAY

The social media marketer, a lady who is always on Facebook Live, is on her phone doing just that.

SOCIAL MEDIA MARKETER

So I said, you don't have apple pie? That's the most American pie of any pie. And they said, the most American pie was key lime. According to this pie shop, all the best pies come from Florida. I tell you, that's the last time I went to a Florida pie shop. Now if you want good Apple pie, you gotta go to Delaware...

Jack enters and talks to Lynette.

LYNETTE

Hey Jack, how goes the jeep mission?

JACK

Good. Dan Decker is training today. Brought him some Slim Fast.

LYNETTE

They still make Slim Fast?

JACK

Found some in my dead mom's cupboard.

LYNETTE

Hey, how come you didn't ask me?

JACK

Ask you what?

LYNETTE

To compete for the Jeep Gladiator for you.

JACK

You?

Jack laughs.

JACK (CONT'D)
 Come on. I don't know. Do you think
 you could beat Greg Miller?

LYNETTE
 Yeah, he's only got nine toes.

INT. WHITLOCK HIGH SCHOOL WEIGHT ROOM - MOMENTS LATER

Dan Decker is pushing some iron.

Heather peers through the door window and watches him.

HEATHER
 Yeah, push that iron. Show that
 iron who's boss.

Jack comes up from behind her.

JACK
 Heather, You ogling Dan Decker?

HEATHER
 Oh, hey, chief. I was just uhm...
 yeah, ogling Dan Decker.

JACK
 Your secret is safe with me.

HEATHER
 Thanks, boss.

Jack enters and walks up to Dan.

JACK
 How's that Slim Fast treating you?

DAN DECKER
 It kind of tasted old and gross.

JACK
 That's Slim Fast for ya. All right,
 why don't you run on the treadmill
 for 20 minutes, do some chest
 presses, but first do that thing
 where you pull your body up. What's
 that called?

DAN DECKER
 A pull-up.

JACK
Yeah, why don't you give me 100 of those. I'm gonna sit here and work on my book.

Jack turns and sees Mary, Stef, and Michelle.

STEF
About time, Jack.

JACK
What is this? A teacher convention in the weight room?

Stef points to Scotty Deeks and two other kids near them working out.

MICHELLE
No, we're training our athletes.

JACK
Stupid teacher code.

The doors to the weight room swing open. It's Greg Miller.

GREG
Hello, PBJ.

JACK
Greg, why are you here?

GREG
Scouting out my competition. Rumor has it Scotty Deeks is competing.

STEF
The boy is on fire when he's not injured.

MARY
Too bad he's injured most of the time.

GREG
I heard you got someone competing for you too, Jack. Are you too scared to compete against me yourself?

JACK
No, I could beat you if I wanted too, but Dan Decker volunteered.

DAN DECKER

Did not!

JACK

Shut up and give me 50 more pull-ups!

GREG

What's the matter, Jack, you too chicken?

JACK

No, I'm not too chicken.

GREG

Bwak. Bwak. Bwak.

JACK

At least I can wear flip flops.

Greg bwaks more. Stef, Mary, and Michelle make Bwak Bwak chicken noises too.

JACK (CONT'D)

Shut up! None of you are competing either.

MARY

True, but it's not because we're chicken.

GREG

Still afraid of me, PBJ? Looks like some things never change.

JACK

I don't need to take this from a guy who's missing a toe and three teachers who stole my idea.

Jack gets up and leaves.

GREG

Whatever you say, PBJ. Bwak Bwak.

INT. UPSTAIRS HALLWAY - DAY

Sarika follows Marcus up a flight of stairs.

SARIKA

Where are you taking me, Marcus?
I've never been in this hallway before.

MARCUS

Believe me, the journey is worth
the destination.

INT. SECRET LAB - CONTINUOUS

Marcus shows Sarika the lab.

SARIKA

An empty science lab that no one
knows about. This is almost too
good to be true.

MARCUS

Oh, it's true.

SARIKA

I heard of this place, but I
thought it was a myth.

MARCUS

Yeah, it belonged to the crossing
guard, but he's dead, so it's ours
now. Finally a place where we can
do A.P. Bio.

On the table is a dead frog.

SARIKA

Did you get a dead frog for us?

MARCUS

Yeah, I thought you would want to
dissect it with me.

SARIKA

Oh, Marcus. I would love to dissect
a frog with you. Thank you.

INT. DURBIN'S OFFICE - DAY

Principal Durbin and Helen talk.

PRINCIPAL DURBIN

I just can't believe this is how it
ends.

HELEN

Ralph, you'll always be the Jeep
King to my heart.

Greg Miller enters.

GREG

Well, well, well. There he is. The ex-Jeep King.

PRINCIPAL DURBIN

Greg Miller, what are you doing here?

GREG

I just wanted to see the man was King meet the man who will be King.

HELEN

Just because you climbed Everest doesn't mean your worthy of being Jeep King.

GREG

You know, Durbin. It's too bad the TJU won't let you compete. I wonder where they got that idea. Wink Wink.

HELEN

You monster.

INT. DOWNSTAIRS HALLWAY - DAY

Heather looks at all the pictures of Tom Selleck and other strong and burly men hung in her locker.

HEATHER

Oh, meat locker, how are my stallions today?

She looks at her picture of Dan Decker.

HEATHER (CONT'D)

Oh, double d, you were so sweaty today and I loved every second of it.

Dan walks up behind her.

DAN

Hey, Heather.

Heather covers the photo with her body. Dan tilts his head.

DAN (CONT'D)

Is that a picture of me in your locker?

Heather panics. As he reaches for a better look, she swings her locker to close it and jams his hand inside.

DAN (CONT'D)
Ow! My good hand!

INT. A.P. BIOLOGY CLASSROOM - THE NEXT DAY

Jack enters. He throws an apple and misses the garbage can. The entire class is there except Sarika and Marcus.

JACK
Okay, everyone, what time is it?

COLIN
8:52.

JACK
No, it's shut up o'clock! So shut your mouths and listen. We got to get Dan ready for the big day tomorrow.

He looks at the class. They stare at Jack.

JACK (CONT'D)
Why are you all staring at me like that? Something happen?

Dan raises his good hand. He's now wearing a cast. Jack marches down the row.

JACK (CONT'D)
What is that?

DAN
This? It's a cast. The nurse said I have to wear it.

JACK
Are you kidding me? How did this happen?

Dan looks at Heather. She puts her head down, embarrassed.

DAN
Basketball.

JACK
Basketball?

DAN
Yeah.

JACK
Basketball doesn't matter. Only
jeeps matter. I can't believe this.
You can't compete in the obstacle
course like that.

Jack paces back and forth.

JACK (CONT'D)
Nobody here was as jeep as Dan
Decker.

Jack takes a breath.

JACK (CONT'D)
Looks like I have to race him
myself.

VICTOR
You can do it, Mr. Griffin.

JACK
Marcus, leave, so I can focus.

COLIN
Marcus isn't here, Mr. Griffin.

Jack notices Sarika and Marcus's seats are empty.

JACK
He's already gone? This is odd.
Why are my two least favorite
students missing?

ANTHONY
Yeah, that is peculiar.

JACK
I can see one missing, that's
called a good day, but both my
least favorite students missing,
now that's suspicious.

COLIN
What do you think they're up to?

JACK
The same thing they're always up
to.

Jack makes a pose like Captain Marvel.

JACK (CONT'D)
Trying to learn biology.

INT. DURBIN'S OFFICE - DAY

Durbin is on his computer. He looks at pictures of him over the years being Jeep King. He stares at a picture of him cutting the ribbon for a new Panera Bread.

PRINCIPAL DURBIN
Oh, that was some good bread.

In his pictures, Durbin wears a robe and has a Jeep King crown. He holds a golden scepter. The scepter handle is a the shape of Jeep Wrangler.

He walks over to a chest and opens it. He says goodbye to his Jeep King clothes.

PRINCIPAL DURBIN (CONT'D)
Looks like my reign is over.

Principal Durbin cries in his robe.

PRINCIPAL DURBIN (CONT'D)
At least I was king of something.

INT. CAFETERIA - DAY

Dan eats lunch with Devin. Dan sees Heather at another table. She avoids eye contact.

DAN
Heather's been acting weird ever since I saw that photo of me.

DEVIN
It's not weird. I'm sure a lot of students have photos of other students in their locker.

DAN
What do you think I should do?

DEVIN
I know.

INT. SECRET LAB - DAY

Marcus and Sarika dissect another dead animal carcass.

SARIKA
I'm having so much fun.

MARCUS

I know. I could do this every day.

SARIKA

We would if we didn't have Mr.
Griffin as a teacher.

The door busts open. It's Jack.

JACK

Well, Well, well...

MARCUS

Mr. Griffin, how did you find us?

JACK

You don't think Durbin told me
about this lab when I started this
job. I drink here sometimes.

Jack opens up the top cabinet full of alcohol.

JACK (CONT'D)

This was Eugene's old liquor
cabinet.

SARIKA

Please, don't take this away from
me. I've learned so much in so
little time.

JACK

I said no biology. And yet you
double cross me. No! All this lab
equipment will be gone tomorrow.

SARIKA

But Mr. Griffin.

JACK

No, this week is all about jeeps
and jeep related things. No bio!

END OF ACT TWO

ACT THREE

EXT. TOLEDO JEEP FESTIVAL - DAY

Jack talks to his students before the race.

JACK
So, we all know what to do?

HEATHER
We got you covered, commander.

JACK
Devin, you brought your BB gun?

DEVIN
You know I did.

JACK
Anthony and Victor, you bring the extra rope?

ANTHONY
Yes.

JACK
Good. Destroy Greg at all costs.
Nobody jeeps me like I jeep people.

VICTOR
Oh, can I use jeep as a verb too?

JACK
No!

Jack looks around and sees several people with dogs.

JACK (CONT'D)
What's with all the dogs?

ANTHONY
It's for the Jeep Fest dog show.
It's the event that follows the obstacle course.

COLIN
Jeep Fest has everything.

JACK
Okay, stick to the plan. Let's take down Greg Miller. As for all these other twerps, I'll beat them hard with my body.

Near the start line, Michelle, Mary, and Stef talk to their kids who are competing for them.

Michelle talks to BELLA, 15, stronger than a bull.

MICHELLE

You better win this, Bella. I don't care if you get straight A's. I will give you your first B. Win me a jeep and you can stay on the honor roll. Lose and say hello to the merit roll.

BELLA

No, please, not the merit roll.

Stef talks to Scotty Deeks.

STEF

Okay, promise me, you won't get hurt.

SCOTTY DEEKS

I promise I won't get hurt.

Mary talks to KYLE, 17.

MARY

Kyle, if you want me to stop making out with your dad then you win this. Otherwise, I'm just going to make out with him even more.

KYLE

I'm gonna win this. It's the only way to save my parents marriage.

Jack gets to the front of the start line and stretches. Jack spots Greg and sees Sarika walk up to him.

SARIKA

Mr. Miller, sir.

GREG

Yes, nerdy teenage girl.

SARIKA

I wanted to wish you good luck. My teacher took something away from me so I hope you take that jeep away from him.

GREG

Oh, I'm going to win that jeep.

SARIKA

You're an inspiration. Please
accept this good luck hug.

Sarika hugs Greg. Jack watches Sarika.

JACK

That traitor.

Lynette then sneaks up behind Jack.

LYNETTE

You ready to race?

JACK

Lynette, what are you doing here?

LYNETTE

I'm here to compete for the Jeep
Gladiator.

Coach Novak stands beside Lynette and sees them.

COACH NOVAK

Hey, Whitlock staff.

JACK

Coach, you're competing too?

COACH NOVAK

Yeah, I can win anything. I'm a gym
teacher.

Greg interrupts them.

GREG

Understand one thing, none of you
losers are winning today.

Principal Durbin talks on a microphone. He wears his Jeep
robe and crown and carries his Jeep scepter.

PRINCIPAL DURBIN

Hello, ladies and Gentlemen welcome
to the Toledo Jeep Fest obstacle
course brought to you by Jeep.

The crowd cheers.

COLIN

The only vehicles that matter!

PRINCIPAL DURBIN

I am your reigning Jeep King, Ralph Durbin. I am proud to say that the winner of this obstacle course will be crowned the new Jeep King.

Mixed emotions from the crowd. Some want a new Jeep King. Some want Ralph to still be Jeep King.

HELEN

You're the only Jeep King that matters!

PRINCIPAL DURBIN

And they will win a brand new Jeep Gladiator!

The reveal a black Jeep Gladiator. It's glorious and jeepy.

STEF

Mmmm-Hmmmm. A gladiator. That's just like me. I gladiate all over the place.

JACK

Damn, that jeep is spectacular.

GREG

Too bad, it's already mine, PBJ.

PRINCIPAL DURBIN

And now racers, get ready...

All the racers line up.

PRINCIPAL DURBIN (CONT'D)

Get set... Jeep it!

Jack, Greg, and the students run. The rest are confused.

PRINCIPAL DURBIN (CONT'D)

That means go!

All the remaining racers run.

Jack and Greg are in the lead.

Scotty Deeks trips on a tree branch and gets hurt.

SCOTTY DEEKS

Ow, I hurt myself.

STEF

You made a promise!

Scotty Deeks gets up and keeps going.

Jack and Greg reach an obstacle made of ropes. They maneuver their way through them.

As Greg crawls, Anthony, Colin, and Victor try their best to tie ropes around Greg's legs and arms.

GREG

Hey, what the hell is this? Kids, get out of here.

In the meantime, Jack crawls past him.

VICTOR

Can you hold still, sir?

GREG

No, I will not hold still!

ANTHONY

I got one. I tied one on him.

Greg pushes Anthony and Colin out of his way.

ANTHONY (CONT'D)

That was uncalled for.

Greg crawls his way out. There's two ropes that the kids manage to tie to him.

GREG

Good thing I always carry a pocket knife. Everest taught me that.

Greg uses his free hand to dig out a knife. Other runners enter the ropes.

Jack crawls through a tunnel and jumps into a mud puddle.

Greg crawls out of a tunnel then something hits him in the shoulder.

GREG (CONT'D)

Ah. What the hell?

He turns around and gets hit in the forehead with a BB. Greg spots Devin in the trees with a BB gun.

GREG (CONT'D)

Are you shooting BBs at me?

DEVIN

Yes.

Greg shakes the tree with Devin in it. Devin hugs the tree and the BB gun falls to the ground.

DEVIN (CONT'D)

No! Not my Red Ryder BB gun!

Greg snatches the BB gun and runs back on the path.

Jack runs through some mud.

JACK

I got this. I got this.

Greg runs past other racers. Coach Novak, Scotty Deeks, and other competitors see Greg with the gun.

SCOTTY DEEKS

Oh, my God. He's got a gun.

They run back towards the start line away from Greg.

GREG

That works out in my favor.

Jack climbs onto a zip line platform and zip lines.

Greg gets to the platform and shoots BB's at Jack.

JACK

Damn it, Devin. Hold onto your gun.

Greg throws the BB gun into the woods and then zip lines.

Jack runs, but Greg catches up.

The next challenge is climbing over a wall. It's a challenge to Jack but not for Greg. They are neck and neck.

They reach a set of parallel monkey bars. They swing.

Greg is much faster at it, but halfway through, Heather runs and hugs Greg's legs creating more weight.

HEATHER

I got ya.

GREG

Please, I lost a toe so my body
made up for it with arm strength.

Greg keeps going on the monkey bars. Heather lets go.

HEATHER

Hurry boss, he's using his toe
power!

Jack dives into a mud puddle. Greg jumps on top of Jack.

GREG

Eat mud, PBJ.

The finish line is in sight. Jack and Greg make a run for it.

There's a police K-9 at the end of the finish line with other
people who have dogs. They all start barking.

JACK

Why are those dogs barking?

The dogs try to break free from their leashes. The police K-9
manages to do just that.

GREG

The dog show isn't for a half hour.
All you dogs shut up!

Jack and Greg see the K-9 speed towards them.

JACK

I think that dog is coming after
you.

GREG

I think he's coming after you.

The dog gets closer to Greg.

GREG (CONT'D)

Nope, it's me.

Greg turns around and the dog bites him on the ass.

GREG (CONT'D)

Ow! Someone get this dog off my
ass.

Jack gets the lead.

JACK

God bless that vicious K-9.

Jack is twelve feet from the finish line.

JACK (CONT'D)

Yes! Yes! Yes!

Wham! Jack gets tackled to the ground just five feet before the finish line.

His tackler gets up. She then runs past the finish line and wins it. Jack looks up. It's Lynette.

LYNETTE

Yes! I won the giant jeep!

Jack crosses the finish line.

LYNETTE (CONT'D)

Jack, remember when you said I couldn't beat Greg? Proved you wrong. And now, I have a brand new Jeep Gladiator.

JACK

But... This was my plan.

LYNETTE

Too bad, So sad, jeeplees Jack.

JACK

I can't believe this.

Victor and other students approach them.

VICTOR

Nice try, Mr. Griffin, but she outjeeped you.

JACK

Victor, don't use jeep as a verb. You make it sound wrong.

LYNETTE

I knew if I stayed slightly behind you, once all the damage was done to Greg, I could sneak up from behind and win my jeep.

JACK

That is a pretty brilliant plan.

Principal Durbin approaches Lynette with his crown and scepter.

PRINCIPAL DURBIN

This is it. Hope you're ready to be Jeep Royalty.

LYNETTE

Looks like you'll still be Jeep King.

PRINCIPAL DURBIN

How do you figure that?

LYNETTE

Because I won so that makes me the Jeep Queen. And my first order of Jeep business is to make sure you're still the Jeep King.

PRINCIPAL DURBIN

Oh, Lynette, thank you. This means the world to me.

Jack watches Greg as he crosses the finish line.

JACK

At least Greg lost. I wonder why that dog went after him.

Sarika and Marcus approach Jack.

SARIKA

Because we made his clothes smell like a decomposing animal carcass.

MARCUS

Dogs love the smell of a decomposing animal carcass.

JACK

You did this?

SARIKA

Yeah, when I gave him a good luck hug. I sprayed a chemical on his back that dogs love. It's something Marcus and I created in that lab.

JACK

And here I was thinking you didn't like me?

MARCUS

We don't.

SARIKA

No, You're our least favorite teacher.

MARCUS

But Greg Miller is a worse human being.

JACK

That's sweet. Okay, I won't get rid of the secret lab.

SARIKA

Really? You're not joking.

JACK

But you can no longer go during my class unless I kick you out. And don't tell the other students about this.

SARIKA

You got it, Mr. Griffin.

MARCUS

Thank you so much, Mr. Griffin. You have no idea how much this means.

JACK

Marcus, stop talking.

MARCUS

Okay.

Coach Novak and the other racers point at Greg.

COACH NOVAK

There he is! I saw him with a gun. Jeep police, arrest him.

POLICE OFFICER #1

We're just police. Don't call us the jeep police.

COACH NOVAK

Sorry.

Colin sings as the police approach Greg.

COLIN

*The jeep police
They live inside of your head
The jeep police
They come to me in your bed
The jeep police
Police, police*

INT. ART ROOM - DAY

Heather and Dan enter an empty classroom.

HEATHER

What are we doing here?

Dan picks up a polaroid camera from the desk.

DAN

Devin told me he saw the teacher using this polaroid camera earlier today to play pizza slap.

HEATHER

I love pizza slap.

DAN

Yeah, but I thought it be cool if we used it to take a picture of the two of us for my locker.

HEATHER

You want a picture of me in your locker?

DAN

Yeah, it's only fair.

HEATHER

Yeah, sure, double Decker.

Dan aims the camera. FLASH. He takes an adorable selfie of the two of them.

INT. DOWNSTAIRS HALLWAY - DAY

Dan Decker opens his locker. Hanging in his locker is the picture of him and Heather.

Jack and Lynette pass the locker as they walk by. They wear matching Mud Hens baseball caps.

JACK
So, how's the Gladiator?

LYNETTE
Lovin' it. Jack. Lovin' it.

JACK
You going to let me drive it
sometime?

LYNETTE
Nope.

JACK
Come on, Lynette. Just let me drive
it once.

LYNETTE
Sorry, Jack. Get your own jeep at
next year's festival.

JACK
Oh, I'm going to jeep it so hard
next year. That Toledo Jeep Fest
won't know what hit it. Next year,
I will be crowned Jeep King.
