FADE IN:

INT. THE BADA BING COMEDY CLUB - BROOKLYN, NY - NIGHT

JENNA, 39, dark hair, brown eyes, and pregnant. She's on stage working an open mic night.

JENNA

I can't help if I have pregnant cravings...I looked in the fridge today and saw a piece of cake with a note that said "Don't eat me." Now there's an empty plate and a note that says "I don't take orders from cake."

(audience laughs)

God, I'm so fat Tom Arnold wouldn't have sex with me.

(audience laughs)

My mom keeps telling me that being pregnant is a beautiful, joyful, wonderful experience, and I keep telling my mom to go fuck herself.

(audience laughs)

Alright, this next comic is a girl I've known since I was a teenager. Let's give it up for my best friend, Kristin Bronson!

The audience of about twelve people applaud as KRISTIN, 37, walks on stage. She has curly blonde hair, a button nose, and she's adorable for a woman in her thirties.

KRISTIN

I hate being poor. I'm so poor I throw in I.O.U.'s into fountains.

The crowd laughs. A drunken heckler, DOUCHEBAG DAVE, 40s, balding, chubby, starts chuckling sarcastically after the crowd's laughter.

DOUCHEBAG DAVE

Hardy Har Har!!...

KRISTIN

I DREAMED that by now, I'd be a famous comedian making money doing this. But I no longer like the phrase "Dreams really do come true". I personally don't want my dreams to come true. Last night I dreamt I was late for work and had to take the bus. The hot guy from Starbucks was on it so I got up the courage to talk to him and he stabbed me.

The audience laughs.

DOUCHEBAG DAVE

Hardy Har Har!!...

KRISTIN

No, thanks. I'd rather live my mundane life full of frappuccinos. I mean Dr. King had a dream come true and that was great and all, but in his speech he didn't really go in depth about all his other dreams...the ones where a bunch of racist white people die.

The audience laughs.

DOUCHEBAG DAVE

Hardy Har Har!!...

By this time, Kristin has noticed the sarcasm. Kristin doesn't take this.

KRISTIN

Hey, Dave, can you stop being an annoying pain in the ass?

DOUCHEBAG DAVE

Well...maybe if you give me something good, I wouldn't have to fake it.

KRISTIN

I bet you hear that a lot.

The crowd laughs. Jenna watches the commotion backstage.

DOUCHEBAG DAVE

That's not what I meant. Why don't you stop trying to be funny? The only thing a female comedian is good for is bringing babies into the world.

Kristin is enraged, but there's a calm before the storm.

KRISTIN

Ladies and gentlemen...this man is named Douchebag Dave. You might be saying to yourself, did he get that name, because he acts like a d-bag?...And the answer is no. His mom actually named him that, because his face resembles her douchebag.

The crowd laughs.

DOUCHEBAG DAVE

My face does not look like my mom's  
douchebag.

KRISTIN

Your face looks like the crap that comes  
out of Kirstie Alley's ass after a night  
of eating bean burritos and cream corn.

The crowd laughs again.

DOUCHEBAG DAVE

Well...you...you're...you're...

He can't think of anything.

KRISTIN

My...My...My what? You not only look like  
Elmer Fudd, but you speak like him too.

DOUCHEBAG DAVE

No, I don't. You, you're, you...

He gets frustrated.

KRISTIN

Dave, you're face is so grotesque it  
looks like Hiroshima after the atomic  
bomb hit it.

The crowd laughs and waits for Dave's comeback, but he  
has nothing.

KRISTIN (CONT'D)

Now why don't you do what you do best  
with your sexist, hideous face and shut  
it.

The entire room has their eyes set on Dave. He gets up  
and exits humiliated. Kristin finishes her act.

INT. THE BADA BING COMEDY CLUB - BACKSTAGE

The audience CHEERS as Kristin walks backstage. Jenna  
hugs Kristin before she returns to MCing.

JENNA

Ladies and gentlemen, show some love for  
Kristin Bronson!

The crowd erupts. Kristin is ecstatic and takes this  
moment in. JIM, 38, a business man walks into the room.

JIM

Kristin, do you have any idea what you just did?!

KRISTIN

I killed out there. That was amazing!

JIM

You made Douchebag Dave look like an idiot! He's been doing stand up here for twelve years! People come here to see him.

KRISTIN

Jim, he deserved it. I have more respect than to heckle another comic.

JIM

I have to ban you from the club.

KRISTIN

Are you kidding me?! Why?

JIM

I can't have you making a fool of one of my best comics.

KRISTIN

Dave is a sorry excuse for a comedian!

JIM

Yes, but he gets people in the door. He's also appeared on MTV, The Howard Stern Show, and PBS. What have you done?

KRISTIN

Those were all lucky breaks.

JIM

Dave gave me a choice. Either to let you go or he's out the door forever. And I have to agree with him. Female comics are not that funny. Now take your last check and get out.

Jim RIPS a \$7.50 check from his checkbook and hands it to Kristin. She turns her back and walks towards the door.

KRISTIN

Keep your money, dipshit.

INT. SNOOPY'S DINER - NIGHT

Kristin and Jenna eat in a booth at a diner across the street from The Bada Bing. Dave also eats at the counter with a friend. Kristin has lost her emotional high.

JENNA

Screw Jim. That club is a hole in the wall anyway.

KRISTIN

You can still perform there. He didn't kick you out.

JENNA

I'm not gonna perform there without you. At least you went out with a bang.

KRISTIN

I won the battle, but we're still losing the war.

JENNA

He'll regret banning you. Someday when we have our own show, we'll look back and tell him to kiss our asses.

ROD, (Matthew Broderick) 35, a very weak depressed man with brown hair sits down next to Kristin.

JENNA (CONT'D)

Rod, why do you look so down?

ROD

I got molested again.

JENNA

Again? What do you do that you keep getting molested?

KRISTIN

Was it bad?

ROD

It wasn't all that bad. I've been through worst. It was just really really awkward.

JENNA

What happened?

ROD

I was at a doctor's appointment. And I had a new doctor...

CUT TO:

INT. DOCTOR'S OFFICE - EARLIER THAT DAY

Rod wears a gown. DOCTOR LOIS, a 49-year old Stiffler's Mom type doctor is checking Rod's knees for reflexes.

DOCTOR LOIS

Alright, your heartbeat seems normal, good reflexes, now we just need to do one more test and check down under.

ROD

Okay.

Rod stands and lifts the gown up. Doctor Lois cups Rod's balls and she holds them gently.

DOCTOR LOIS

Ooooooh, somebody shaves. It's good to keep the twins clean. How often do you trim those hairs?

ROD

I guess about twice a month.

DOCTOR LOIS

That's good. VERY GOOD. So what's his name?

ROD

Excuse me?

DOCTOR LOIS

Everybody has a name for their genitals. It's like a plant. It helps it grow. So what did you name it?

ROD

The Millennium Falcon.

DOCTOR LOIS

Ooohhh, a Star Wars fan. So are these two right here Luke and Leia?

ROD

No, the right one is Han, the left one is Chewy.

DOCTOR LOIS

Damn, you take good care of your penis. Naming all three major parts and shaving it twice a month.

ROD

Uhm..is this really necessary?

DOCTOR LOIS

Doctor Lois knows what she's doing. You don't want Chewy to have testicular cancer do you?

ROD

No, that's a good point I guess...Shouldn't I be coughing or something?

DOCTOR LOIS

Oh yes, yes, could you sing for me?

ROD

You want me to sing?

DOCTOR LOIS

Yeah, just a little tune, it's standard procedure. You know any songs by The Police?

ROD

I guess so..."I'll send an S.O.S. to the world. I'll send an S.O.S. to the world."

CUT TO:

INT. SNOOPY'S DINER - PRESENT TIME

Rod continues to tell his story to Kristin and Jenna.

ROD

And it kinda went like that for an hour or so.

KRISTIN

I'm sorry Rod.

JENNA

Your doctor makes some ballsy moves.

ROD

I don't get it. Why do only weird older ladies hit on me and keep touching my junk?

JENNA

I don't know, but I'm sure it doesn't help your parents named you Rod.

ROD

I got some more bad news. It has to do with your ex though. Speak of the devil.

Rod's eyes move behind Kristin. He looks to the man walking to the table.

VINNY

Hello ladies.

VINNY, 39, attractive but in a prick looking way like John Stamos. He stands over the edge of their table.

VINNY (CONT'D)

Kristin, I thought that was you. I was just having dinner with Douchebag Dave, he told me what happened at the club.

Kristin wants to crawl in a hole far far away. Nobody is comfortable right now.

KRISTIN

Yeah, hi, Vinny.

VINNY

So did you hear? I'm gonna be performing on Letterman again tonight!

JENNA

How does a scumbag like you keep getting gigs you don't deserve.

VINNY

Oh, Jenna, don't be so jealous. Just because this is what...my third time on The Late Show. How many times have you been on TV?

Jenna bites her lip.

VINNY (CONT'D)

Oh yeah, I forgot. None.

JENNA

Vinny, if I had a dick, this is where I'd tell you to suck it.

VINNY

Jenna, have you ever been mistaken for a man?

JENNA

No, have you?

VINNY

At least I'm not still where I was five years ago and still hosting an open mic...Kristin, I hope you're doing okay. I know you're reaching forty, but you'll find someone else eventually.

JENNA

She's fine, you cheating bag of horse shit.

VINNY

You know, Jenna, you two should really think about quitting comedy already. Haven't you wasted enough time? Why not leave it up to the men who know what they're doing?

KRISTIN

Vinny, please shut up.

VINNY

I can't believe you two are still trying to succeed as stand up comedians. Face the facts. You two will never have a career like mine.

JENNA

Vinny, if I was anything like you, I'd shoot myself in the ass.

VINNY

Maybe once you realize you'll never make it, you could write jokes for me. Your material sounds better out of a man's mouth anyway. And in fact tomorrow, I'm filming my first Comedy Central special. Well, just wanted to share my good news. I'll see you around.

Vinny smirks and leaves the table.

JENNA

How is that jackass on Letterman again!?

ROD

I don't know. That was the other bad news I wanted to tell you. Are you gonna be alright Kristin?

KRISTIN

Yeah.

Kristin is clearly not alright.

KRISTIN (CONT'D)

You know, Jenna I think I'm gonna just meet you back at the apartment. I really don't feel like eating right now.

JENNA

Kristin...

Kristin gets up from the table.

KRISTIN

Don't worry, I'll be alright. I just need to clear my head.

Kristin leaves.

ROD

I can't believe he cheated on her. She deserves so much better. I would give up Han Solo to be with Kristin.

JENNA

That's one's your right nut right?

ROD

Yep. Do you think she'll go out with me now?

JENNA

I think you need stop getting molested first, Rod. Plus, she doesn't need another relationship right away. Vinny just dumped her last week.

INT. KRISTIN'S BEDROOM - NIGHT

Kristin lies in bed miserable. She eats a box of chocolate covered pretzels and watches The Late Show with David Letterman.

DAVID LETTERMAN

Our next guest is a very talented comedian. He's filming his first Comedy Central special tomorrow night at The Bada Bing Comedy Theater here in New York City. Please welcome, Vinny Pesci.

The crowd applauds. Vinny walks on stage.

VINNY

Oh, I hate being poor. I'm so poor I  
throw in I.O.U.'s into fountains.

The audience laughs. Kristin stares at the TV in awe.

KRISTIN

Are you kidding me?!

VINNY

I no longer like the phrase "Dreams  
really do come true". I know I don't want  
my dreams to come true. Last night I  
dreamt I was late for work and had to  
take the bus. The blonde chick from  
Hooters was on it so I got up the courage  
to talk to her and she stabbed me.

The audience laughs. Kristin is furious.

INT. JENNA'S ROOM - NIGHT

Jenna is having sex with her husband, HONDO, 38, a Jewish  
Native American. Kristin busts the door open.

KRISTIN

I can't believe Vinny!

JENNA

Kristin! We're having sex right now!

Kristin quickly shuts the door and stands in the hallway.

HONDO

Not again.

KRISTIN

This is an emergency!!

JENNA

You say that every time you walk in on  
us!

KRISTIN

Well lock the door!

JENNA

Why don't you learn how to knock?!

Hondo keeps trying to do it. His headdress covers their  
two naked bodies.

KRISTIN

Jenna, Vinny stole my act!! He used my material on Letterman! I knew he was stealing my jokes again!!!

JENNA

Kristin, the baby's been kicking all day, I need time to get it on. Do we have to talk about this right now?!

KRISTIN

Yes! Jenna, I need you!

The bed squeaks as Hondo thrusts.

HONDO

I'm about to release the white eagle.

KRISTIN

First he cheats on me with every waitress from The Bada Bing and now he's stealing my material again!

JENNA

Oh Hondo, release that white eagle! Kristin, for Christ's sake, can this wait til tomorrow morning?!

KRISTIN

Fine, but first thing tomorrow morning!

INT. KRISTIN'S BEDROOM - NIGHT

Kristin is pacing back and forth. There's no way she can sleep. She's on the phone with her father, MR. BRONSON, He's a bold, brash, heavy set man with a thick mustache.

INTERCUT AS NEEDED:

MR. BRONSON

Pumpkin, you say the word and I'll break both his legs.

She finds a picture of her and Vinny and tosses it in the trash. There's a pile of everything that reminds her of him. Signed DVDs of Vinny's stand up, jewelry, etc.

KRISTIN

Dad, violence doesn't solve anything. There's gotta be something else I can do.

MR. BRONSON

Violence solves everything. What are you Gandhi? You know where Gandhi is right now?! Gandhi is dead. You know what killed him, VIOLENCE.

KRISTIN

I don't want to break Vinny's legs. I want him to stop stealing my jokes.

MR. BRONSON

Can't you go on stage and confront him?

KRISTIN

Dad, you don't understand how the stand up world works. Nobody's gonna believe me. We dated for three years, he'll label me as crazy. And I'm a nobody. Tonight, he was on The Late Show. I've never even been on TV.

MR. BRONSON

You will someday sweetheart. There's gotta be something you can do in the meantime. You know what they say, revenge is the best medicine.

KRISTIN

All I want is for him to be out of my life. I'm taking everything I have of his and throwing it in the trash. Then I'm gonna try to go to bed. I'll talk to you later.

MR. BRONSON

Are you gonna be okay?

KRISTIN

Yeah, I'll be fine.

MR. BRONSON

Honey, if you need any help in any way. You let me know. I love you.

KRISTIN

Thanks Dad. I love you too.

She hangs up the phone and grabs the trash can. She then sees Vinny's red leather jacket hanging on her closet door.

KRISTIN (CONT'D)

(to herself)

Oh yeah, I still have all his clothes.

She puts on the light in her closet, and grabs a few of Vinny's T-shirts, jeans and jerseys. As she throws them in the trash, she suddenly thinks of the idea she's been looking for.

In one magical moment her frustration becomes joy.

INT. GIRLS APARTMENT - DAY

Jenna and Rod sit on the couch.

JENNA

Okay, so what is this big thing you've been scheming all night?

ROD

Yeah, and why did you need a bunch of my clothes?

Kristin throws a make up kit and some wigs on the couch.

KRISTIN

We're gonna DESTROY Vinny's stand up special tonight.

ROD

You're banned from The Bada Bing. How are you going to get in?

KRISTIN

With these.

She holds up hats, make up and Rod's clothes.

JENNA

What the hell are you talking about?

KRISTIN

Jenna, we're gonna cross-dress as men, and heckle Vinny. I'll wear Rod's clothes, you can fit into Hondo's.

JENNA

Excuse me?

KRISTIN

It will be like "Some Like It Hot." I'll be Jack Lemmon, you be Tony Curtis.

ROD

Does that make me Marilyn?

JENNA

You want me to dress up like a dude?!

KRISTIN

Yep, we can use the wigs from our improv show. I knew all those years of getting a cosmetology degree was gonna pay off somehow.

JENNA

Are you on crack?!

ROD

Yeah, did you accidently take crack again?

JENNA

I can't pull off looking like a man!

KRISTIN

Yes you can. Look at you. You're six months pregnant. You have the same physique as an Ice Road Trucker.

JENNA

Hey...shut up.

KRISTIN

Jenna, please. He's been stealing my jokes for years. He cheated on me possibly the entire time we dated. Think about everything he put me through.

JENNA

Alright, I'll do it, but only because I hate Vinny more than I hate Cambodians.

INT. GIRLS APARTMENT - BATHROOM

Kristin and Jenna try on different wigs, beards, mustaches, hats, and mens apparel to see what works best.

Rod helps Kristin glue a fake beard to her face. Jenna chooses one of Hondo's trucker hats. Kristin is into her manly self.

ROD

Wow, you look good, I mean...for a man.

JENNA

Really? I think you look hideous.
