FADE IN:

INT. MARRIAGE THERAPY - DAY

MARRIAGE THERAPIST, a bearded man in his 30s, professional, sits across JASON VOORHEES and his wife, ANGELA.

MARRIAGE THERAPIST

So Mr. And Mrs. Voorhees, tell me what brings you to marriage therapy today?

ANGELA

Well, for one thing, I wish my husband would replace that damn, ratty, old hockey mask!

JASON

I've had this hockey mask since 1982! It's my trademark!

ANGELA

You don't even like hockey!

JASON

I like hockey.

ANGELA

Name one hockey player!

JASON

Uhm... Uuhhh...

ANGELA

Exactly.

JASON

What do you want me to do? Go back to the potato sack bag with one eye hole? Do you know how hard it is to kill people when you can only look left?

ANGELA

You can have a hockey mask! I'm just asking you to replace that old ratty one.

JASON

I don't want a new mask. I like my old mask.

ANGELA

Dick's Sporting Goods is having a sale on all hockey equipment this week and I have a coupon for 20% off.

JASON

I don't want to go to Dick's Sporting Goods.

MARRIAGE THERAPIST

I think we're getting off topic. Angela, on the phone, you mentioned your vacation.

ANGELA

Yeah! I get one week of vacation time a year and every year we go to Crystal Lake.

JASON

It's beautiful out there. I have many fond memories.

ANGELA

Crystal Lake has been condemned for years. We're always the only two people there.

JASON

They'll try to open it again. They always do.

ANGELA

You went to Manhattan once. Why don't you ever take me there?

JASON

I went to Hell too! But then I lived with you, and I really experienced it.

ANGELA

You got to go everywhere. You've even been to Space.

JASON

The great thing about Space is no one can hear you talk.

ANGELA

Your mom died at Crystal Lake. Don't you think it's weird that you want to just keep going back there?

MARRIAGE THERAPIST

Jason, let's talk about your mother issues.

JASON

That's it. I'm done with this.

Jason gets up to leave.

ANGELA

Where are you going?

JASON

Dick's Sporting Goods. It's the only thing that will make you two shut up!

FADE OUT.
